Just to tell you how we enjoyed the Xmas dinner last year..our family all came on that fabulous evening...superb weather and of course a cocktail was waiting there for us..the meal was really good as was the company..It was quite sad to see so few people attending this function.

Sadly they missed out!

We then went again to the Thursday night dinner on the 12<sup>th</sup> January in fact Mum invited us to celebrate her 83<sup>rd</sup> birthday. Martin your food was amazing, the taste, the presentation and the even more the price.

What fabulous value!!!

We cannot wait to get invited again.

Keep up the good and creative work!!

With sincere thanks

## COMMUNITY CHEST CARNIVAL 2012

29 FEBRUARY, 1 - 3 MARCH 2012

WEDNESDAY 29 FEBRUARY & THURSDAY 1 MARCH 2012 18:00 - 23:00  
FRIDAY 2 MARCH 2012 17:00 - 24:00  
SATURDAY 3 MARCH 2012 12:00 - 23:00

**ALCOHOL SALES & THE PLAYING OF MUSIC MUST CEASE A HALF HOUR BEFORE THE OFFICIAL CLOSING TIME OF CARNIVAL**

Community Chest Carnival is just around the corner. 29 February & 1,2,3 March 2012.

Hedi and Ernest Buerki will be the conveners at the ROSEN KUCHEN stall, assisted by Ernst Tobler and Daniel Siegenthaler.

We want to remind every Swiss living in the Cape Province: this is a Swiss affair! We are representing Switzerland. And we can be very proud of it as ROSENKUCHEN is the best selling product at the carnival.

We need about 120 volunteers for the duration of the Carnival. Sadly, last year we had 70 % non-Swiss to help. As volunteer you receive a free ticket that allows you to enter the carnival any time, any day. You can enjoy the carnival before or after your shift, as you work only for a few hours. IT IS FUN ! You can help yourself to an ice cold cool drink, even a beer, whenever you want. Our chef Ernst Tobler will braai the most appetizing sausages for the hungry.

We want to thank up-front the regulars, some of them are there for most of the 4 days. Without this core of volunteers we would not be able to run the ROSENKUCHEN stall. Do not forget that by helping to make the Swiss stall a success, you actually help the poorest of the poor. Our net donation from the ROSENKUCHEN sales has always been between 35 and 40 thousand Rand. This is not small change! The carnival needs the Swiss and we have been told by many customers that they come specifically to buy our ROSENKUCHEN.

Every year I try to contact most of you Swiss personally. The date of the carnival is always the same and in my view easy to remember: It starts with the Wednesday nearest to the end of February and goes up to the Saturday – every year. I am still a dreamer hoping not to have to beg for your help during these 4 important days, especially from you members of the Swiss Club. (You could also consider helping at the Austrian stall – contact the club house if you rather sell cheese than ROSENKUCHEN, or both!)

# FRAUENTREFFEN

Oh dear, we've been very remiss in updating you on our activities, so we quickly have to remedy this omission: Two big functions took place towards the end of 2011, namely our yearend braai, which took place on 30 November, and our well-known Christmas Sale in Jonkershoek, where we joined the Samichlaus on 4 December.

We were again invited to the home of Bettina Wiesmann in Milnerton, although she herself was in Switzerland at the time due to the arrival of a brand-new grandchild. Her husband very bravely asked us to come anyhow and our sincere thanks go to him and specially Astrid Hohl who, together with Sue and Gerda, prepared and decorated everything to perfection. To our delight, most of our members turned up, some even bringing along their Swiss visitors, to swell our number to about 35. As usual, Jenny busied herself at the braai, and very soon we could fill our plates with Bratwurst, Cervelat (courtesy of Martha Reichmuth - thank you so much!), an assortment of salads and a slice or two of the massive Züpfe donated by Sari. Delicious fruit salad rounded off the meal to perfection. Christmas biscuits and other goodies were sold to the ladies, who wouldn't be able to join us in Jonkershoek.

As usual, the weather was perfect on 4 December and our sales ladies, especially when it came to coffee and cake and Christmas biscuits, were kept extremely busy. Thank you to Peter Dennler, who sold plenty of raffle tickets as there was a whole big table full of prizes to be won, gratefully received from the many donors. A great big thank you also to his wife Therese, who once again organised the whole event, as well as to all the ladies who brought handcrafted goods, biscuits, cakes, jams and even jars of olives (thank you Maria Tobler!) and who stood behind those tables for hours on end to make our annual sale the usual great success. We would also like to mention that we donated all unsold knitted goods, children's clothing and toys to the Nazareth Home for Aids Orphans.

Let me remind you that our Frauentreffen meets at 10 am on the last Wednesday of every month at the Club House in Green Point, unless otherwise advised. If you need further information, please contact Therese Dennler on 021 981 7958 / 082 775 5849. All Swiss ladies and wives of Swiss husbands are most welcome!

Attention: Unclaimed raffle prize! Raffle ticket no. 141, purchased by Britt Gilbert, won a wine cooler, which can now be collected from the Club House.

"As per tradition, Samiclaus arrived in Jonkershoek the first Sunday of December. Greeted by 50 eager and excited little ones and after some Christmas carols singing each child received a goodie bag from Samiclaus. Blessed with great weather, families gathered under the trees around the newly built tables which were beautifully covered with red and white table clothes. The day was complete with the frauentreffen selling their Christmas goodies - decadent cakes and traditional biscuits. Many thanks to all involved in making this a really special day for everyone! If you missed it, we hope to see you there this year!

# PRESIDENT'S REPORT

President's Report February – March 2012

Dear Members

A 12th of the year 2012 is already behind us! I trust you all had a good holiday and hope you took the time to recharge your batteries for the New Year!

The Samichlaus / Father Christmas visit to Jonkershoek was very well attended. The weather was great and we had about 50 children receiving gifts from Samichlaus. Christoph Schmocker entertained the children with his small guitar and sang some songs with them.

Thank you Stefan Rüsi for sponsoring the gift bags for the children and Lindt for their generous chocolate gift that went into the bags!

The Frauentreffen were selling their goodies, tea, coffee and cake.

This year the Baenjeass took place at the clubhouse in Green Point. What great support we had with 24 players participating! Thank you to Beat Reichmuth for sponsoring the Baenze, which were delicious, made by Andy Küng of The Goatshead!

The Christmas dinner was enjoyed by all. I was told the food was plentiful and excellent. Robert Mueller, our previous Consul General, addressed the guests.

The past few Thursday's the club was very well visited. A few weeks in a row we had visitors from the Swiss Farmers' Association (Schweizer Bauernverband) and the next two groups will be there on 2 and 16 February. They enjoyed mingling with fellow Swiss living in the Cape.

This year the Waldfest will be organized by Moira and Stefan Pflocks. Be assured it will be a day to be remembered! See the newsletter for further information.

Please diarize the Community Chest Carnival at Maynardville, which will take place from 29 February to 3 March 2012. For those who have never been there, please visit this huge charity event. The Swiss, under the guidance of Ernest and Hedi Buerki, will have the traditional "Rosenkuchen"-Stand.

Our AGM will take place on Tuesday, 27 March. We are looking for new committee members. We appreciate any young or older, experience or not so experienced members to join us. If you know of someone that can help, please give me a call.

Warm Regards,  
Michael Hauser
